

♥◻️🌀🌀♥🌀🌀Cherrett's steps Challenge♥◻️🌀🌀♥🌀🌀

Having received the extremely vulnerable letter saying not to leave the house for any reason for 12 weeks we wanted to come up with a way to stay, positive, fit and help others. The idea of Cherrett's step Challenge was born we planned to get 7,500 steps a day for Eliana and 10,000 a day for Isabel, Gemma and Phil.

We did it!!!

We have all smashed our steps targets for April and have walked 906 miles!! All without leaving the front door!

That is from Lands' End to John O Groats by Road!!!!

We have raised £220 for Children in Need and Comic Relief.

Thank you for all of the sponsorship and messages of support.

Hooray!!!!
