me my are was you they	this shop king fish chip quick	the of do says said today	well will off class buzz clock	for car park corn sport start	out how now brown about sound

Home Enrichment Activities

Here are some suggested activities for you to do at home with your child that will enhance their learning this half term. (These do not need to come into school.)

- Go on an Autumn Scavenger Hunt – Look for bare trees, different colour leaves, chestnuts, squirrels, acorns, pinecones.
- Create some autumnal artwork – leaf rubbings using crayons, collage using leaves from the garden, draw an autumnal picture and describe it to you.
- Create a daily weather chart – discuss the changes in the weather each day.
- Watch the weather forecast on television and discuss the symbols that are used.
