

KQ: Can I order the letters of the alphabet?

# Alphabet Maze

Write the letters in the stars to complete the maze!

The maze is a large, irregular shape composed of many five-pointed stars. Each star has a horizontal line across its middle, serving as a writing guide. The letters 'd', 'e', 'i', 'n', 'q', and 'u' are already written in some of the stars. The word 'BAM!' is written in a starburst shape in the center of the maze. The word 'BOOM!' is written in a cloud-like shape. The word 'YAPOW!' is written in a starburst shape at the bottom left. A superhero character is on the left, and a fire-breather character is on the right. There are also several small, empty stars scattered around the maze.
