

Moordown St. John's Church of England Primary School

During Summer, Year 1 will be working hard and learning successfully by:

History

We will be learning about the Sinking of the Titanic and about life for different people on the ship.

RE

We will be looking at special times for people of Jewish faith called Shabbat, Yom Kippur and Rosh Hashanah.

Science

We will be thinking about seasonal changes from Spring to Summer. We will then be thinking about Plants.

D&T

In our summer unit "Eat more Fruit and Vegetables", we will be peeling, chopping, washing and grating fruit/vegetables.

Trips

We hope to have trips linked to either our Science or History learning. We will let you know more nearer to the time.

English

In English, we be creating fact files on animals for our non-fiction writing. We will also be developing our creative writing though poetry and short narratives linked to 'Beside the seaside'.

M
E**

Maths

We will be learning about multiplication and division in pictorial and practical methods. We will be learning place value to 100. We will also be learning about fractions, money and time.

Geography

We will be learning about the countries of the United Kingdom and their capital cities.

Worship

In our worship, we will be following God's big story. We will also be thinking about the Fruits of the Spirit.

Art

In our Paper Art unit, we will be exploring different media and looking at types of paper for collage and other art.

PE

Our P.E. focus for the Summer term will be Athletics.

Year Group Information

Book change days are **Monday** and **Friday**.
Spelling test: **Thursday** P.E: **Friday**
Reading Diaries will be collected in on a **Thursday** to mark spellings and count reading.

Project Overview

Summer 1: Queen's Platinum Jubilee
