love have link think thank active	lie field cried tried chief thief	made these time home June like	what when where wheel dolphin phonics	very body happy funny party family	more score dare rare bear pear

Home Enrichment Activities

Here are some suggested activities for you to do at home with your child that will enhance their learning this half term. (These do not need to come into school.)

- Use information books and the internet to find out 5 facts about one of your favourite animals. Use these to make your own fact book.
- Create your own bird feeder using recycled plastics e.g. yoghurt pot.
- Look at a map of the United Kingdom. Can you find England/ Scotland/ Wales/ Northern Ireland? Can you find any places that you have been to before?
- Explore using different materials to create your own collage artwork.
- Using small change, can you recognise the coins and add two together?
